

PRAESIDIUM

DFSA Authorisation Services

PRAESIDIUM

Turnkey Authorisation Services

Praesidium's core team has been actively engaged in supporting entities seek DFSA Authorisation for a **decade** supporting every category of financial services, both conventional and Islamic Finance expertise. Our service is offered as a complete end to end.

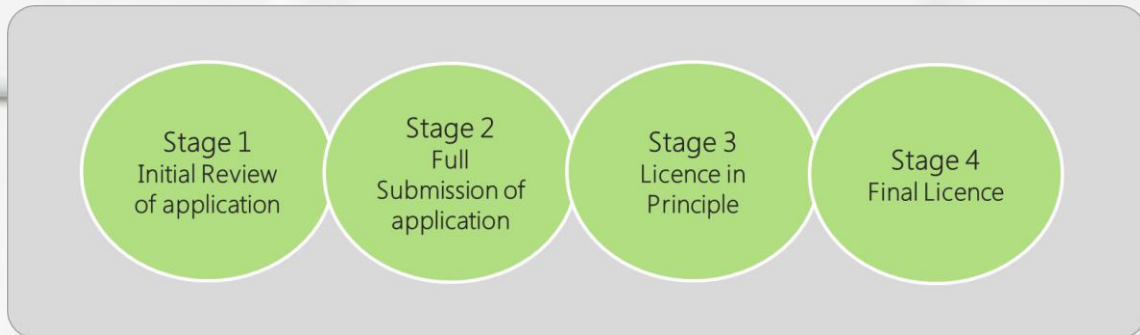

What our service includes

1. Application guidance- project management of the entire process;
2. Assessment of business viability and development of regulatory business plan (in conjunction with Client);
3. Guidance on financial projections (or outsourcing preparation to our affiliate entities specialising in DFSA FO services);
4. Preparation of compliance procedures;
5. Interface with DFSA and DIFC as required;
6. Support through to final licence.

PRAESIDIUM

Key Milestones

Praesidium takes the lead in preparing the application documents with close liaison with the Client, we aim to prioritise the application process into 4 core stages:

Supporting Services

In addition to the above services, Praesidium can also provide, or facilitate the sourcing of a **full suite of services**, either directly, or to minimize conflicts of interest, via its affiliate entities*:

- Outsourced Finance Officer services;
- Outsourced Company Secretary services;
- Outsourced Finance Officer services;
- Internal Audit;
- Company Formation (Non DIFC Freezones);
- Corporate Service Provider (CSP) to DIFC Special purpose entities
